

Membership Guidelines

If you are hauling in to Corral Creek Stables to use the trails or arenas, please understand that you do so under the terms of the following guidelines. Any participant may be asked to leave or asked not to return if we feel the participant is not participating in accordance with our guidelines and rules.

- All haul-ins must have a current haul-in membership in good standing. If your haul-in membership application is approved, you will be given a 14-day free trial. After your trial ends, if you would like to continue hauling-in, you will be charged \$150/month for each horse. Horses may have multiple riders per membership, but not the other way around.
- Haul-in members are permitted to use the arena, round pen, wash racks, lounge and bathroom. Haul-in members may also use the tack-up and cross ties. No stall or turnout use is permitted. Please only ride on designated paths, arenas, or areas.
- Do not take or use any bedding or feed. Feel free to help yourself to coffee, tea, or cocoa from the lounge.
- Clean up manure, hair, and hay around your trailer and grooming area before you leave, as well as picking up any manure.
- Please don't park your trailer directly in front of the barn or arena entrance. You will be directed where to park.
- No dogs are allowed near the arena or barn. Dogs must stay in your car, unless by prior permission by CCS.
- No engaging in any commercial activities on the property without prior signed agreement with CCS and proof of insurance.
- Please be considerate to boarders and other participants and respect all signage, closures and requests by staff or trainers.
- Helmets recommended for all ages. Safe tack and attire required.
- If you have any questions or concerns, please contact Lisa Jackson at 503-625-2650 or email her at Ljackson333@gmail.com
- Thank you!

Corral Creek Stable Rules

General Facility Rules:

- Everyone must sign the “Warning, Liability Release, and Indemnity Agreement” before conducting any activity on the Premises including guests and family members
- The rules and guidelines must be signed prior to riding
- Barn hours are 8 am to 8 pm daily
- Speed limit is 5 mph on shared driveway and Corral Creek Stable, LLC’s premises
- Unless otherwise arranged with Stable, children under 16 years of age must be accompanied by and under the supervision of an adult at all times
- No smoking, alcohol or drugs are permitted on the premises
- No dogs are permitted on the premises, without express consent of Corral Creek Stable, LLC
- Turn off all lights in the barn and arena when the buildings are empty
- No outside trainers without express permission of Corral Creek Stable, LLC
- Please close all doors and gates behind you in order to prevent injuries and loose horses. Close all gate latches, snaps and locks after passing through gates
- Do not borrow another boarders tack, grooming equipment unless given explicit permission. Any loss of equipment is not the responsibility of Corral Creek Stable, LLC
- Please respect other others by not engaging in activities that could spook horses.

Attire:

- Boots with heels are required when mounted
- Everyone under 18 years of age must wear a properly-fitted riding helmet when mounted
- It is highly recommended that everyone 18 years of age and older wear a properly-fitted riding helmet when mounted
- Everyone, regardless of age, must wear a properly-fitted riding helmet when jumping a horse while mounted.

Horse Handling:

- Except when bridled, horses must be led with a properly-fitted halter and lead rope
- Do not leave your horse unattended with a halter, lead rope or bridle on
- Do not leave a horse unattended in the crossties, or unattended tied
- Never tie horses in any other place other than the crossties or tie rings provided
- No riding in the barn
- Always close and latch stall doors
- No feeding horses by hand, unless own horse or given permission
- Do not handle other owners' horses unless otherwise arranged
- Clean up your horse's manure/shavings/dirt/hair after grooming/unloading/leading
- After washing your horse, please turn off water, replace the hoses and leave the area as you found it. Turn off lights and heaters.

Arena:

- Clean up all manure from the arena after riding
- Lunging permitted in controlled manner
